Why Nexia Edwards Marshall

A culture of success

We hire a diverse range of individuals with the ability to ask the right questions, listen actively and analyse deeply to spot missed opportunities.

We'll get you there

We're a top 20 global network, already on the ground in over 120 countries, and have offices in every mainland state and territory in Australia.

The specialists you need

We offer over 30 sector and service specialties, from property and construction, healthcare, professional services and many more.

Ready for what's next

We equip our team with the vital skills to thrive in tomorrow's world, so we can guide you to success, no matter what this looks like.

Business Consulting

James undertakes monthly reporting including forecasting and budgeting for clients in the professional services, retail, property and construction and wholesale industries. This allows them to have current financial data presented in a user-friendly way to allow them to make decisions.

He is also able to assist with business plan analysis to ensure projected balance sheet, profit and loss, and cash flow analysis are as accurate as possible.

Taxation and Corporate Compliance

James assists clients with meeting their taxation requirements including assisting with Fringe Benefits Tax and Goods and Services Tax. He is also able to assist clients with meeting their ASIC obligations by producing share transfer, allotment forms and minutes when required.
