Audit and Assurance

Jamie undertakes assurance engagements for a large number of clients across a range of industries. A specialised audit Partner, his services include external audit, risk management, accounting system reviews, financial reporting and technical advice and international financial reporting standards.

Forensic Accounting

Jamie has also assisted in the preparation of expert reports for litigation matters where these have involved audit-related issues. These matters have included the reconstruction and review of accounting records as a result of fraud, the analysis of financial records in connection with matters including corporate failures and the non-compliance with Australian Accounting and Auditing Standards.

Corporate governance

In addition to Jamie's audit roles, he is an experienced Board Director and company secretary. Jamie is currently a Director of the Adelaide Fringe and The Real Estate Institute of South Australia Ltd. He was the company secretary for an ASX listed entity for many years, providing governance and financial advice during that time. He has served on the audit committees for a variety of entities including large state government departments in health and family services.
