Nexia Australia

Corporate advisory

Helping your business navigate deals and growth

At Nexia Australia, our specialist Corporate Advisory team exists to help businesses navigate deals and growth. Working closely with our internal Taxation Consulting team to offer a holistic service – we put your interests first and offer advice that is discreet, independent and tailored to your business objectives.

An organisation will encounter significant events throughout its life cycle, and we can help you find the right solutions for challenges – ranging from the most complex issues to routine compliance matters. Nexia Australia can offer guidance regardless of whether you are looking to:

- Undertake a transaction (buy/sell/raise/buyback);
- Set up or unwind a structure or scheme (establish/dissolve);
- Change something in your group structure or business (restructure/change); or
- Just getting on with business as usual (hold/maintain).

We find that most transactions involve input from a range of specialist skill sets. Along with our internal teams, we will also work closely with you and other specialist service providers (legal, technology) as an integrated team that's independent and conflict-free to bring the right blend of commercial and technical expertise to each challenge faced by our clients in the mid-market.

Unlock your business' true potential with our experienced corporate advisors who will help your business navigate deals and growth.
