Education and training

More than just advice

Nexia Australia recognises the fundamental role the education sector plays in shaping our society and empowering individuals to unlock their true potential.

We understand the various challenges that schools, colleges and organisations across the education sector face, including shifts in funding, shortages in skilled personnel, increasing competition, and constantly evolving technologies. Our team of experienced professionals will help you overcome these challenges, allowing you to plan for the future and focus on providing excellent, lifelong learning opportunities.

For decades, Nexia Australia's education specialists have been dedicated to empowering organisations like yours, helping you reach your full potential and achieve meaningful, lasting impact in the education sector.

Nexia Australia

Who we are

At Nexia Australia, we believe that real value exists on the other side of where most people stop. Our teams are long-term supporters and regular presenters for the Association of School Business Administrators (ASBA) and various chapters of the Association of Independent Schools (AIS) on technical accounting, tax and other sector issues.

Leveraging a global network of more than 497 offices spanning over 118 countries, we have the local skills, national depth and global reach, and overall experience to help you achieve your goals, whether they're profit-focused or compliance-focused.

A carefully integrated suite of services, encompassing taxation, superannuation, business advisory, and audit, provides comprehensive support to help you meet your statutory obligations and empower you to focus on what matters most.
