

Forensics

Decisions that shape your future

Disputes, whether big or small, can become a reality. At Nexia Australia, we recognise the challenges associated with successfully navigating the complexities of financial regulations and laws when disputes arise.

Our Forensic Accountants are specialists in the provision of accounting expert witness services, consulting expert services, and valuation services, such as business and equity valuation opinions, for commercial and family law disputes.

We pride ourselves on delivering expert, objective, reasoned and logical advice. We help you confidently navigate financial disputes and provide quality opinions based on sound analysis.

Services

- Family law valuations and strategy
- Business valuations
- Share valuations
- Commercial litigation advisory
- Assistance in property settlements
- Review and critique of expert reports
- Disruption of business/business interruption

Empowering you with clarity and insight

At Nexia Australia, we're experienced in analysing and navigating complex information to enable parties to understand key financial and accounting issues.

We have a proven track record of presenting expert evidence before courts and tribunals and in mediation/settlement proceedings. Our team brings extensive business experience and diverse skill sets to examine financial matters and seek to establish the facts, regardless of the complexity.

Our Forensic Accounting specialists are dedicated to responding to your objectives with clarity and transparency, instilling confidence in legal counsel that our expert opinions will withstand the rigours of cross-examination.

Whether the matter involves a matrimonial breakdown, business or share acquisition, or assessment of economic loss, you can rely on us for personalised solutions to safeguard your economic interests and inject confidence in your financial future.

Who we are

At Nexia Australia, we work as your proactive partner. We're a leading accounting and advisory firm with decades of experience providing tailored solutions to clients across a range of sectors.

With a global network of over 600 offices in 120 countries, we have the resources and expertise to help you navigate complex business challenges to provide positive outcomes.

At Nexia Australia, our success is built on a foundation of integrity, expertise and a commitment to helping our clients succeed.
