

Outsourced Chief Financial Officer (CFO)

More than just advice

At Nexia Australia, we support your business in achieving your current goals and empower you to focus on what comes next.

In today's rapidly changing and fast-paced business environment, small-to-medium-sized businesses can benefit from the knowledge and skills of a CFO.

By outsourcing your business's finance function with our team of experts, you benefit from the expertise of qualified financial professionals who can help your business achieve success by unlocking its true potential.

We offer tailored solutions that meet your business needs. Our experts will help you to navigate and overcome the daily challenges businesses face.

Services and advice

- Analysis of pricing and product/service decisions
- Company secretary duties
- Design and refinement of internal accounting systems
- Budget and financial forecasts and development
- Financial modelling (sales projections, break-even analysis, cash flow analysis)
- Human resources consulting
- Maintaining data integrity
- Bookkeeping
- Information technology strategy and advice
- Bank and investor negotiations
- Software implementation
- Strategic business planning
- Payroll
- Industry-specific and best-practice benchmarking
- Management reporting
- Debtor management
- Business consulting
- Creditor payments
- Developing and monitoring of Key Performance Indicators (KPIs)
- Sales and marketing consulting

Helping you navigate to long-term success

Our dedicated team will help you to create a more efficient workplace and an environment where your business can reach its full potential. We strive to make sure that your business runs effectively and efficiently, so you can focus on what matters most.

At Nexia Australia, we understand the complex challenges that businesses face on a daily basis. We recognise that you're occupied with building and maintaining a successful business, so we can provide comprehensive support along with the right advice.

We have the experience and business insights for you, as a business owner, to navigate these challenges and make informed decisions. With Nexia Australia, you can be confident that your business is in safe hands.
