

Tax consulting

More than just advice

At Nexia Australia, we recognise that achieving sustained success in business requires navigating a complex legislative and regulatory landscape, which is aided by having strong corporate governance.

Our clients

- Large private companies
- Publicly listed companies
- Family-owned businesses
- Small to medium-sized enterprises
- Foreign-owned entities
- For-Purpose (Not-for-profit)

At Nexia, we add value by providing specialist taxation advice and support that will help you manage one of the most significant risks in your business.

Ensuring you're always ready for what's next

Whether you require assistance with tax planning, structuring or governance, our focus is on you. We take the time to understand your unique needs and goals and provide you with comprehensive, bespoke solutions and advice. That enables you to focus on achieving your true business potential.

All businesses

- Business structuring and restructuring
- Acquisition due diligence
- Succession planning
- Private Binding Rulings from the ATO
- Managing disputes with the ATO and other revenue authorities
- R&D tax offset
- Exiting your business

Public and large private business

For-Purpose (Not-for-profit)

- Governance
- Reporting
- Compliance
- Concessional GST and FBT rules

Kathryn Anne Russell

“ I have had my taxation handled by the numerous iterations of Nexia since 1965. More recently they provided excellent advice relating to aged care for a family member. Staff have always been exceptionally pleasant, approachable and helpful.”

Who we are

Nexia Australia are your personal finance and business partner. Leveraging a global network of more than 497 offices spanning over 118 countries, we're a leading accounting and advisory firm with decades of experience providing tailored solutions to clients across a range of industries.

Our experienced tax advisors possess deep technical knowledge and a global network of resources, ensuring that we have the insight, advice and support you need to manage the full range of potential tax risks in your business. We have built our success through a foundation of integrity, expertise and a commitment to helping our clients succeed. Our approach will provide you with confidence that your business taxation risks are being managed, and tax planning opportunities are being maximised.
